(Junior High) Those lessons involving aural training and the use of tapes/CD's (workbooks 3 and 4) will be done in class either with Mrs. Ruth on the keyboard or by use of the tapes /CD's sent with the workbooks. (All class members may participate in the aural exercises for ear training purposes!) DO NOT WASTE the class time given to you to complete the workbook lessons.

**One letter grade lower for each day the workbook is late!!
