How to View Mid-Quarters & Report Cards via ParentAccess

1. Click the Report Card link on the left-hand side of the ParentAccess Screen

2. Click View Paper Report Card in the upper Right, to view the most recently posted report card. (This won't be available until the school's posting date)
3. Click View Paper History to view past report cards that have been posted.
4. By clicking on View Paper History, it will show post report cards from previous grading periods, as well as previous years, if building staff had posted them to ParentAccess.

- a. Clicking on the blue link for each Quarter in the Paper History Screen will open a .pdf file of the report card.

Note: The parent manages and creates his/her own account. If you can't access your account after you register, return to the login page and click on the "Forgot your user name or Password" link. **NORTHMOR CAN NOT RESET PASSWORDS.** Parents also manage their student accounts. Parents can reset student passwords and create student accounts. Students in grades 6-12 have received their own account from Northmor.
